

Mission Statement

To be the leading London provider of sustainable, nutritious, quality catering to London organisations, venues and events.

This will be achieved by:

- ♦ Focusing on business to business clients within central London
- ♦ Exceeding client expectations for our communication, service, value for money and the quality of our food
- ♦ Ensuring our people are knowledgeable, skilled, motivated and happy in their work
- ♦ Developing relationships of mutual trust with clients, staff and suppliers.
- ♦ Continually improving all that we do in the most sustainable way and promoting sustainability practices
